Product Marketing Manager with 3+ years of B2B and B2C experience, leading Go-To-Market (GTM) strategies, growth initiatives, and multi-channel campaigns across tech-driven environments. Skilled in product marketing, content strategy, influencer partnerships, lifecycle marketing, and performance-driven campaigns. Strong background in AI-powered marketing tools, product storytelling, and customer journey optimization. Thrives in fast-paced, agile teams while owning projects end-to-end and collaborating with development, design, and sales stakeholders. Devoted to driving customer loyalty and profitable growth through data-driven, customer-centric strategies.

WORK EXPERIENCE

Marketing Manager, B&G Guitars, - 2022 - 2025

- Led GTM and growth strategies, including Ideal Customer Profile (ICP) definition, positioning, and quarterly/half-year marketing plans, aligning with product marketing discipline and driving customer-centric initiatives.
- Boosted weekly website traffic by ~20% through UX improvements, CRO-focused content optimization, and SEO hygiene, demonstrating a strong understanding of landing pages and content strategy.
- Applied Product Management principles to develop and execute marketing strategies, driving brand awareness and market penetration.
- Delivered a 250% ROI campaign for a one-of-a-kind \$8,000 product, sold out in just 2 weeks, highlighting strong product marketing and storytelling capabilities.
- Scaled an influencer marketing program (20+ creators) from micro-influencers to YouTubers with millions of subscribers, including negotiation, briefing, and performance tracking, contributing to social media content and brand awareness.
- Created and managed multi-channel campaigns (Meta, YouTube, Instagram, email, newsletters, product copy, landing pages), leveraging content strategy and storytelling while utilizing active social listening and data-driven insights.
- Designed and optimized eCommerce product pages and flows, improving conversion and customer experience through a focus on landing pages and user engagement.
- Managed and improved customer relationships through targeted marketing campaigns, along with personalized communication and creative.
- Collaborated cross-functionally with product, UX, and development teams; partnered with Sales and Logistics to manage inbound leads, close deals, and support custom orders, acting as a strategic partner to sales.
